QUALITY STANDARD

NCC-CD has set highest quality standards that constantly aim to exceed demanding customers' needs and adopt the policy of providing quality products & services. Prime goal is to follow principles of 'best practice' whilst efficiently utilizing development resources. It provides the effective management of the risk, change and quality associated with each project.

In order to achieve this objective NCC-CD has established and maintained an effective Quality Management System (QMS), ISO 9001:2000.

The QMS policy is deeply spread among each employee through NCC-CD's dynamic teamwork to consistently improve the long-term success of NCC-CD with leading role in the field of their expertise.
